

**Do what you love
Love where you live...**

... because lifestyle matters.

Northern Health leads the way in promoting health and providing health services for Northern and rural populations. Our vision of building a strong primary health care system for all Northerners will create a dynamic work environment that challenges all of your skills. We are also dedicated to optimizing the expertise of our staff and relationships with regional educational institutions for training opportunities such as new physicians, nurses, and paramedical professionals. We invite you to join our team as we build healthier communities and develop a network of outstanding healthcare professionals.

Exciting Opportunity for . . .

Prince Rupert, BC

Prince Rupert Regional Hospital is a 54-bed facility offering a full-range of services including diagnostics, ultrasound, CAT scan, surgery, emergency, day care, acute care, and extended care with additional services such as Diabetes Education, Healthy Heart and Rehabilitation Programs.

There are 19 general practitioners in the community and seven specialists in the areas of pediatrics, radiology, psychiatry, obstetrics, gynecology, surgery, internal medicine, podiatry, and orthopedics. Visiting specialists provide other specialties from time to time.

Where else . . .

- can you embrace your practice and forget your commute?
- is housing so affordable and the landscape so diverse?
- do you have to divide your time between the lakes, rivers, wildlife, and mountains?

. . . Northern BC!
