Conference Keynote Speakers

Dr. Susan Biali, M.D. is an internationally recognized medical doctor, wellness expert, life coach and flamenco dancer, and is the author of *Live a Life You Love: 7 Steps to a Healthier, Happier, More Passionate You* (www.LiveALifeYouLoveBook.com). She has performed for and taught celebrities, and speaks and dances across North America. Dr. Biali blogs for PsychologyToday.com and appears regularly in media, including Fox News, CTV, Global TV, Self, Fitness, Chatelaine, and The Chicago Tribune. Her presentation on *Creating Wellness, Balance and Hope* will help you reclaim your life and yourself, will teach you how to understand your body and maximize your health, and will show you how to create wellness and balance amidst the busy-ness of your everyday life. www.SusanBiali.com

Shane Jensen, Founder and Senior Principal, New Quest Coaching and Consulting – Shane is an executive coach and consultant with more than ten years experience in the field of Organizational Development.

Sasja Nieuwkerk, Associate for New Quest Coaching & Consulting – Sasja is a dynamic consultant, coach, facilitator and trainer in the fields of human resources, organizational development and leadership

To be effective, leaders at any level and staff need to be skilled elephant hunters – calling out the truth as they see it to resolve the conflict or issue, and inviting others to step up to the challenge. In this highly interactive presentation, participants will:

- Learn how to speak honestly and candidly without leaving others feeling beaten up
- Understand how to build successful relationships based on trust and respect
- Gain a greater understanding of how to manage emotions in stressful situations
- Learn and practice proven techniques for having Daring Conversations: ways to handle conversations that involve personal risk
